CLUB Yeoman Hill Park Bowls Club
GREEN Yeoman Hill Park
DAYS Midweek

Further to your application for the use of a green for the 2019 season, I am able to confirm that the green indicated above has been allocated to your club. The 2019 bowls season will provisionally open from Saturday 20th April 2019. As certain clubs will be sharing greens and as there is a demand for casual matches, it is essential to submit a full fixture list at your earliest convenience. All matches are to be booked through the office and if not cancelled through the office (other than inclement weather) will be charged at the full rate by account.

The fee for inclusive use this season is £1650.00, alternatively an adult season ticket is £55.00 and junior/OAP ticket is £27.50 (please note the age for purchasing an OAP ticket is 60 for females and 65 for males). Match fees for weekday and weekends are £25.00 and this allows for the use of a maximum of four rinks. All tickets should be available for inspection by the Park Wardens when the facilities are being used.

The provisional closing date of the green will be no later than Sunday 22nd September 2019, in order to allow essential autumn maintenance work to be undertaken in optimum weather conditions.

As a requirement of the letting for 2019 and beyond, the club will be required to forward a full list of all members and corresponding season ticket numbers to the Administration Assistant by the last day of April.

Please note that tickets are only available for purchase from the Hermitage Lane Depot and payment can only be accepted by Credit/Debit Card.

May I wish you and your club a very happy and successful 2019 and remind you that if you have any enquiries regarding bowls, please do not hesitate to contact me on the telephone number below.

Kind Regards

Angela Chadburn – 01623 463294
